DE QUÍMICA

” Chemistry, It’s Elemental”

Friday, October 23, 2009

8:30 AM - 12:00 PM

**Paseo de la Fuente
Convention Center District**

This event will join efforts of the Puerto Rico Section with ACS Student Chapters Chapters from Furman University of Greenville, South Carolina; Sewanee: The University of the South de Sewanee, Tennessee, Clemson University, South Carolina and from Puerto Rico, including the Inter American University at San Juan and San German, the Pontifical Catholic University at Ponce, University of Turabo and the University of Puerto Rico campuses at Aguadilla, Arecibo, Cayey, Humacao, Mayagüez and Río Piedras. Also the Younger Chemist Committee (UPR-RP Graduate Students Association), four Chem Clubs (Colegio María Auxiliadora, Colegio San José, Escuela de Artes Visuales, Universtiy Gardens High School and UPR-Río Piedras Mathematics and Astronomy Student Association will join us during this event. Each one of these volunteer groups will have assigned a different element of the periodic table emphasizing the importance of them in daily life.
